

# Communicating in Mathematics

You can learn more about communicating here:

Communicating: <https://connect.schools.nsw.edu.au/p4o0ooqtt89?launcher=false&fcsContent=true&pbMode=normal>

Here are a few resources to get you started:

## Easy Starts

Barrier Games

Maths Activities and Games

Think/Pair/Share – open ended tasks

## More Developed Ideas

<https://www.creatingrounds.com/working-mathematically.html>

Number Talks

Gallery Walks / Maths Congress / Bansho

## School Based Processes You Could Try

Newman's Error Analysis (as a learning tool)

Inquiry Learning
