

Dear GEPS Staff....

(sing along to the tune of “I Will Survive”)

At first I was afraid – I was petrified,  
Kept thinking I could never write this, without you by my  
side,

You gave me so many scaffolds, you gave me facts and  
structure too,

But I need more – I need to do this without you!

Oh I need TIME,

Of lots of time!

And oral language is so important – to get on with this  
rhyme!

I need understanding; I need deep learning too;

Exposure to high quality texts – is what I need from you!

Now let me go!

Get in the Flow!

I need to think; to talk; to write; to craft and collaborate on  
my art!

I need to understand – not know

Please change your mindset on the go

I need some time - I need to read, re-write, re-fine!

Oh no not I, I will survive,

As long as I'm composing text I know that I will thrive,

I need feedback on my thinking and for understanding to  
grow,

I need to have a purpose and an individual goal...

Oh Oh....
